DRINKS

One of the most convenient and popular ways to meet the minimum spend requirement at The Gatsby Lounge is through a Bar Tab. A Bar Tab is a pre-arranged tab that you can set up with our bar, allowing your guests to enjoy a wide selection of beverages and have them charged to the tab throughout your event.

Here are some reasons why a Bar Tab can be an excellent option to meet the minimum spend requirement:

FLEXIBILITY

With a Bar tab, you have the flexibility to choose from our extensive beverage menu, including alcoholic and non-alcoholic options, cocktails, wines, beers, and more. Your guests can order their preferred drinks, and the charges will be deducted from the Bar Tab, helping you meet the minimum spend requirement.

CONVENIENCE

A Bar Tap eliminates the need for individual payments by your guests, making it a seamless and hassle-free option. It allows your guests to enjoy their drinks without worrying about carrying cash or credit cards, and it simplifies the payment process for you as the event host.

BUDGET CONTROL

Setting up a Bar Tab allows you to have better control over your budget. You can specify the amount you want to allocate to the Bar Tap, ensuring that it aligns with the minimum spend requirement. Our experienced bartenders can also provide you with updates on the Bar Tab balance throughout the event, so you can monitor the spending and manage your budget accordingly.

WE CAN ALSO ORGANIZE THE PRE-PURCHASE OF CERTAIN BOTTLES OR WELCOME DRINKS AND HAVE THEM DEDUCTED FROM YOUR TAB TO MEET THE GOAL.

BAR TABS CAN BE SECTIONED OUT WITH WRISTBANDS, SO YOU CAN HAVE CERTAIN GUESTS WITH SPECIAL PRIVILEGES. PLEASE REFER TO THE DRINKS MENU ON OUR WEBSITE TO CHECK OUR DRINK OFFERING.
